Author Imparts A Spellbinding Story About The Christmas Spryte Encounter

Author Imparts A Spellbinding Story About The Christmas Spryte Encounter!

The Christmas Spryte Encounter: Bad Behavior

WILLARD, MO, UNITED STATES, November 8, 2017 /EINPresswire.com/ -- Following the victorious exposure to a wider audience at one of the most prestigious Book Festivals held early this year, Dr. Nanette Crighton continues to talk about magic while incorporating values in it. The success of her children's book entitled The Christmas Spryte Encounter: Bad Behavior is unstoppable!

In a heartwarming interview, Crighton shares a story that teaches a valuable lesson about good behavior. This book which is timely for the Christmas season introduces the characters of a young girl and a behavioral elf named Glynt P. Spryte. It is Christmas Eve and time is running out for the young girl who seems to behave in an unfavorable manner. Mr. Spryte sets in to warn the girl about being removed from the Nice List if she continues her comportment. She gets until Christmas morning to change, or else she will not receive any presents.

Crighton accentuates during her interview the importance of the parents' involvement in the process of teaching their children the right conduct. This book contains engaging poems and whimsical illustrations that can be enjoyed by both the parent and the child. As Crighton seeks to relay an important lesson to the readers, she hopes that they continue to enjoy reading her works as much as she enjoyed writing them!

About the Author:
Dr. Nanette Crighton often ends up in charge without intentionally seeking a position of leadership. Her big-picture thinking, endearing qualities and willingness to set an example simply compel others to follow.

"I can delegate tasks making people feel empowered rather than imposed upon," says Crighton, the medical director and owner of Crighton Aesthetic Studio. "I make a point to recognize contributions by others in a genuine way, and I make certain that I do my share of the least favorable job."
