Who are we? What do we do?

Paradise Kids 4 Africa is a charitable organization which cares for the education, health and social well being of the most vulnerable and disabled particularly those victims affected by the post civil war.

It has registered members all over the world and enjoys full support through out Sierra Leone and now has extended its' support in neighbouring countries such as Liberia and Gambia. The association provides housing medical, educational materials/support and clothing to all.

The partnership projects on offer provide academic opportunities for everyone through scholarships for higher education and self help programs.

A new toilet block needs to be built, as sanitary conditions are detrimental to health of the children.

Continuing supplies of the Nutritional food Supplement need to be ordered.
