Dean Dorton Announces Sponsorship of North Carolina's 2019 CED Tech Conference

Dean Dorton will be an exhibitor at this year's CED Tech Conference, which brings nationally-recognized leaders from all over the technology industry.

RALEIGH, NC, UNITED STATES, February 5, 2019 /EINPresswire.com/ -- Dean Dorton, a full-service CPA firm and technology consulting practice, announced today the sponsorship of the 2019 CED Tech Conference, a premier event for technology entrepreneurs. The conference takes place February 25 and 26 at the Raleigh Convention Center, 500 S Salisbury St, Raleigh, NC 27601.

The 2-day event is expected to attract over 800 attendees from around the nation, including nationally-recognized industry leaders, investors, tech enthusiasts, and entrepreneurs of high-growth companies that focus on Artificial Intelligence, Internet of Things (IoT), Cloud/Storage, Digital Health, and more.

Dean Dorton is a leading accounting software provider for SaaS and tech companies, providing businesses with high-end financial management technology that allows them to accelerate business growth and eliminate the risks of financial inaccuracies through real-time data visibility.

"We are excited to be a part of such a dynamic conference and look forward to providing information on how innovative tech companies can leverage cloud-based technology to manage their core financials," says Philip Massey, Director of Software Consulting at Dean Dorton.

Hosted by the Council for Entrepreneurial Development, the conference will feature a demo room exhibit, displaying some of the leading tech companies in the Southeast, along with a live on-stage company presentation, featuring more than 25 entrepreneurs.

The link to attend the conference can be found here.

"We have first-hand experience with tech companies like these and are keen in demonstrating how cloud-based software can simplify their overall financial processes," says Massey.
