Leading the team is Okta Viandra, Assistant Director of Human Resources. A true champion of the Community Footprints Program, he unites the staff and drives community outreach programs, with activities ranging from fun runs to environmental initiatives to internship training programs for disadvantaged youth.

"There is an old saying, 'It is better to give than to receive.' Giving is an act of kindness, no matter how small the amount you have to donate, or how little time you have to give, it makes a difference for those in need," says Okta who volunteered to run the Community Footprints Program when the resort opened in 2014.

The program has a focus on child well-being, poverty relief and protecting the environment, and Okta describes the Ladies and Gentlemen of the resort as "Happily volunteering," their time and energy to various causes, contributing more than 3000 hours of voluntary work in the first half of 2019. The good work will continue for the remainder of the year with various activities to include, Run to Give September 21st, regular beach and temple clean ups, English classes at Yayasan Hati Mama Orphanage, blood donations and ongoing fundraising to provide essential provisions for Yayasan Wana Seraya – a local home for the elderly.
