This Week in Construction: Top News, Blogs, Case Studies, Videos & Industry Trends – December 11, 2025

Canada's Leading Construction Business Networking Platform

Construction Links Network - Round Up News Magazine

SUNDRE, ALBERTA, CANADA, December 11, 2025 / EINPresswire.com/ -- Since its establishment in 2003, Construction Links Network has emerged as a premier news and information hub in the construction sector.

Through the digital platform, members and non-members can publish news, showcase projects, and highlight expertise to a growing audience of contractors, architects, engineers, developers, and building owners. Whether you're looking to expand your professional network, earn visibility, or explore the latest industry trends, Construction Links Network makes it easy.

Featured content published this week includes a range of topical subjects:

- ConTech Weekly: Innovation in Construction – No. 137
- Better Partnerships Build Better Buildings
- RONA partners with Skilled Trades College and offers a scholarship to a deserving student
- London Build 2025 Wraps Up with Record Attendance, Gears Up for Landmark 2026 Edition
