AMSTERDAM, NETHERLANDS, August 14, 2026 /EINPresswire.com/ -- Following a joyful concert with Gaiea Sanskrit and the Cosmic Choir in Amsterdam on 11 July, British singer and Sanskrit artist Gaiea Sanskrit is preparing for a new European journey this September.

From 12 to 17 September 2026, the Awaken to Your Inner Joy tour will visit five European capitals: Berlin, Prague, Warsaw, Sofia and Athens.

A recently released video from the Amsterdam Cosmic Choir concert offers a glimpse of the warmth, energy and sense of connection that can arise when Gaiea's music meets a live audience and shared singing: Gaiea and The Cosmic Choir live in Amsterdam

In the September tour Gaiea will explore Sanskrit as living sound through a series of gatherings combining mantra, spiritual song, acoustic live music, meditation, kirtan and participatory singing.

Each city will have its own character:

- 12 September – Berlin, Germany: live mantra concert at STARTBAHN – Genezareth Church
- 13 September – Prague, Czech Republic: Sanskrit, meditation and live music at Gabriel Loci – Saint Gabriel Church
- 15 September – Warsaw, Poland: an evening of Sanskrit mantra and spiritual song at Soham Space

- 16 September – Sofia, Bulgaria: concert, kirtan and meditation at OM Yoga & Lifestyle, including an introduction to "Sounding the Name – Shakti"
- 17 September – Athens, Greece: Chant & Chill with Gaiea at Yoga Heart

Although the five events differ in form, they share one invitation: to slow down, listen deeply and discover the joy that can become apparent in oneself when the usual noise and distractions of the mind begin to fall away.

Audiences are welcome simply to listen and immerse themselves in the music, while the events also offer opportunities to sing or chant together. No previous knowledge of Sanskrit, meditation or singing is required.

The tour follows Gaiea's continuing work of bringing ancient Sanskrit texts into a contemporary musical setting and making their sound accessible to audiences from many different backgrounds.
