DATAMARK Projects More Than 400 New Positions in El Paso This Fall

Leading BPO company expands workforce to support new and existing enterprise contracts

DATAMARK
America's Premier Outsourcing Partner

DATAMARK, Inc., a global contact center and business process outsourcing company

EL PASO, TX, UNITED STATES, September 10, 2026 / EINPresswire.com/ -- DATAMARK, Inc. is actively recruiting for more than 400 open positions across its El Paso operations this fall, spanning logistics data processing, customer service, bilingual support, and additional back-office processing roles.

The hiring push is driven by new contract work, including a recently awarded engagement with a major national healthcare and pharmacy organization, along with volume increases and backfill needs across existing programs. Onboarding for the new contracts are scheduled to begin in September and extend throughout the fall months.

> DATAMARK has a strong track record of promoting from within, and we invest in training from day one. A lot of our supervisors and team leads started exactly where these new hires will."
> *J.D. Conway, Director of Talent Acquisition*

For anyone looking to build a career — not just fill a shift — DATAMARK has been that kind of employer in El Paso for more than 35 years.

"We will always want to hire individuals looking for stability and professional development as DATAMARK continues its upward growth trajectory," said J.D. Conway, Director of Talent Acquisition. "DATAMARK has a strong track record of promoting from within, and we invest in training from day one. A lot of our supervisors and team leads started exactly where these new hires will."

New employees can expect competitive pay, a structured onboarding and training program, and a team environment that has earned DATAMARK recognition as one of the region's consistent workplace culture honorees. The company's DATAMARK Gives Back program also provides paid volunteer time, something employees consistently point to as a differentiator.

Open roles include medical claims processors, customs clerks, customer service representatives,

bilingual customer service representatives, and back-office and data processing associates, with additional positions available across programs. Candidates can view all open El Paso positions and apply directly at www.datamark.net/careers.
