Scenthound Pleasant Grove Opens September 17 to Offering Pleasant Grove Residents Top Tier Dog Grooming Services

After a week of thank-you events , the local pet center opens its doors with dog blowout services and dog barber routines in Pleasant Grove.

A clean and welcoming lobby environment awaits pets and owners at the new Scenthound location in Pleasant Grove, Utah.

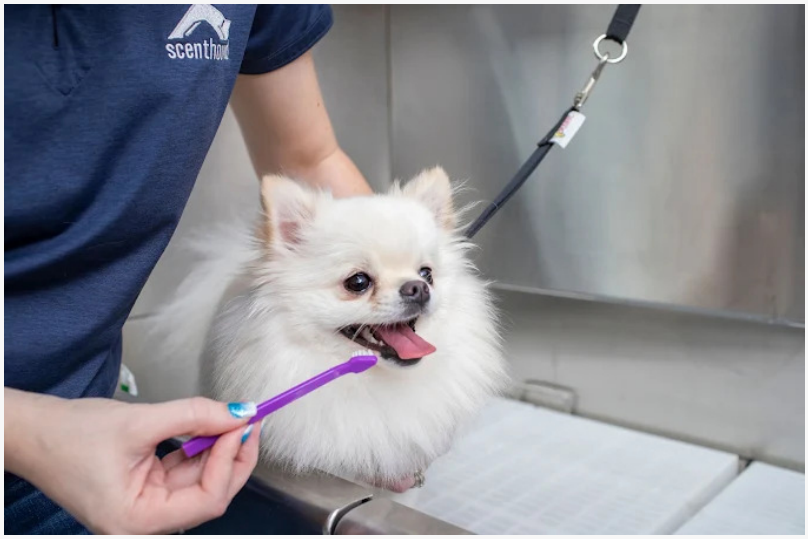
PLEASANT GROVE, UT, UNITED STATES, September 21, 2026 / EINPresswire.com/ -- Scenthound Pleasant Grove is opening its new wellness center on September 17, giving dog owners across Utah County an easier way to keep up with preventive pet care. Instead of the usual once-in-a-while grooming trip, the center is built around routine visits tailored to what each dog actually needs.

The grand opening caps off a soft-launch week the team spent thanking the community. On September 11, Scenthound Pleasant Grove hosted a free care day for first responders and emergency personnel, followed by a complimentary day for local educators on September 12. A private Friends and Family Day rounds things out on September 15, just ahead of the public opening.

Rather than a traditional salon setup, Scenthound Pleasant Grove focuses on five core areas of a dog's health: skin, coat, ears, nails, and teeth. Affordable monthly memberships make it simple for owners to stay on a regular schedule for baths, ear cleanings, nail trims, and dental care — no more guessing when the next visit should be.

The service lineup covers both everyday hygiene and specialized coat work. Owners can book a full bath, deshedding treatment, or a complete dog blowout Pleasant Grove session to manage shedding and keep coats healthy. Every visit also includes a quick health check, so early signs of things like ear infections or dental issues don't go unnoticed.

"Our goal is to give pet parents a convenient way to keep their dogs healthy and comfortable year-round," said Spencer Strong, owner of Scenthound Pleasant Grove. "By welcoming our community's first responders, emergency personnel, and teachers during our pre-opening events, we wanted to show our gratitude while introducing our wellness-focused approach. We look forward to opening our doors to all local pet owners on September 17."



Routine dental cleaning and hygiene care are essential components of every dog's regular wellness visit at Scenthound Pleasant Grove.

Whether it's routine upkeep or a search for reliable dog groomers Pleasant Grove families can count on, visitors will find a welcoming space built for dogs of every breed and size. As a go-to dog barber Pleasant Grove area pet owners can visit month after month, the center keeps care simple through its membership model.
