Cameron and Tameisha Martin to Appear on Couple's Empire TV

FL, UNITED STATES, September 25, 2026 /EINPresswire.com/ -- Cameron and Tameisha Martin, founders of Love Is Key, a corporate catering company and food truck specializing in chicken and waffles, gourmet soul food and desserts, are set to appear on Couple's Empire TV, where they will share insights on building a business through systems, corporate contracts and long-term partnership.

Couple's Empire TV explores the unique dynamic of couples who chose to build their lives and their companies together. While most entrepreneurs separate business from their personal relationships, these couples made a different decision. They built both at the same time. Each episode reveals the real story behind the partnership. The risks they took, the sacrifices they made, and the moments when the pressure of business could have torn everything apart.
