

Rest Assured at Brick House B&B

/EINPresswire.com/ Brick House Bed & Breakfast in Westfield, New York, is the first bed & breakfast in the world to offer 'Rest Assured,' a value-added health and wellness benefit designed to protect guests' health while traveling.

"We are always looking for ways to improve our guests' stay and we are thrilled to be part of this global pilot initiative," states Brick House owner, Randy DeVaul. "We continue to raise the standard for others to follow." Guests expect a clean and comfortable room. Brick House has never compromised its high standards to meet those expectations. "Now, with 'Rest Assured,' we can show our guests our level of commitment to their health and wellness, as well."

'Rest Assured' is a program through Kimberly-Clark Professional that was offered for the first time earlier this year to the lodging giants, such as Hyatt and Marriott. "We instantly saw the value in this and we are pleased to be the first in the B&B industry to bring this to our guests," says DeVaul.

Especially with the start of flu season, people traveling have an increased risk of exposure to others who are sick. Brick House Bed & Breakfast, through 'Rest Assured,' offers guests wellness solutions through trusted Kleenex-brand products, ensuring the highest level of confidence and cleanliness to reduce those risks.

"People make choices every day on where to stay when traveling," states DeVaul. "When coming to Western New York, we want their choice to be Brick House, and we are committed to giving our guests a clean, comfortable, and healthy environment, every time."

Now in its seventh year, Brick House Bed & Breakfast is a charming 1840 historic brick home with five guest rooms, each with private bath. Brick House is the repeat recipient of Tripadvisor's 'Certificate of Excellence', as rated by its guests. In the heart of the wine and art trails along Lake Erie and only a short drive to Niagara Falls and other Western New York attractions, Brick House Bed & Breakfast is open year round and is a perfect location to the sights, sounds, and experiences only found in Western New York.
