DoDonPachi Resurrection Reignite

DoDonPachi Resurrection Reignite
The bullet-hell shooter DoDonPachi returns new and improved, with all the excitement of the classic preserved.
"NOT DEAD YET. THE BATTLE CONTINUES. "
In addition to the new "Royale" bullet-hell battle mode and other features, players can look forward to new stages, a new character, and new music in this new-and-improved DoDonPachi.

Play with up to 10 people in the new "Royale" bullet-hell multiplayer battle mode
The road has been paved for a new age of bullet-hell shooters

For the first time in DoDonPachi series history, a maximum of 10 people can play together. All players compete in real time in the "Royale" battle for survival. Utilize items and aim for the top as you experience a new-and-improved bullet-hell shooter alongside multiple players.

New Character and Voice Actors
A new "Element Doll" character joins the fray, and familiar "Element Daughter" characters make their return. Each of the voice actors brings their character to life, adding even more excitement to this bullet-hell shooter.

Character design is once again handled by Takeshi Ogata, returning from DoDonPachi Resurrection.

About the DoDonPachi Series
Since the first entry's debut in 1997, CAVE Interactive has been developing DoDonPachi games for more than a quarter of a century. Today, the highly challenging, vertical scroller shoot-'em-up series boasts 24 titles across arcade machines, home videogame consoles, and mobile platforms.

DoDonPachi has captivated fans across the globe with its bullet-hell barrages that fill the screen. By defeating enemies while skillfully dodging wave upon wave of bullets, players can experience the exhilarating sense of achievement that helped establish the bullet-hell shooter as its own genre. CAVE Interactive's unique approach to shoot-'em-up game design has cultivated a devoted fan base around the world and continues to evolve to this day.
