Three-bedroom suites include an attached single-car garage with an additional parking pad. Two-bedroom suites feature a front veranda and two powered parking spots. Carpeted flooring is included in select areas, and each suite is equipped with a one-piece shower with a sunken tub.

A Community Designed for Residents

Beyond the suites, Steeltown Point offers community features that support day-to-day living. Outdoor and visitor parking are available on site, along with private entrances, yard space, and an outdoor play area for children. The property is professionally managed by friendly and knowledgeable staff. Cats are permitted with a pet deposit.

Jeff T., a resident for approximately three years, shared his experience: "I have been a tenant with Forthright Properties about 3 years now. I continue to be impressed by their service. No place is without hiccups, but everytime an issue has come up I have been met with a prompt and professional response. Any frustrations are addressed in a timely manner. Very accommodating and friendly staff. Suites are well equipped and nice. I would recommend forthright to anyone who's looking for a home."

Nicholas L., who moved to Winnipeg four years ago, described his experience: "I've spent 4 years

in Winnipeg after moving into the city and this is by far The Best apartment company. They always professionally respond within hours. I never had one appliance nor toilet break. No leaks either. No pests and no bugs. New washers and dryers. Hallways are regularly cleaned and snow is cleared. Good working lights in all the rooms. This place looks newly built and open concept living room (it's a big living room) is a breath of fresh air. I have not gone one day without seeing a Forthright staff working on site. I have good tenents in my building. The apartment is in a nice neighborhood. I go on walks at any hour of the day even midnight."

Katie C. shared her move-in and move-out experience: "No issues with renting from Forthright Properties. Move in was fast and easy. They were able to reassign our lease for the time period we needed. Upon move out it was nice that Forthright Properties takes the time to check everything is in good condition, they expect tenants to leave the home in good condition. As anyone moving in would expect to have a move in ready home! Forthright Properties also had our damage deposit return ready for us in just over a week! Very efficient."
