

## Save £300 on a CISSP course this December

---

/EINPresswire.com/ [IT Governance](#), the global leader in information security training, has announced a saving of £295 off the list price of the five-day [CISSP Accelerated Training Programme](#) in London, if booked before 21 December 2012. The next sitting is in March 2013 and bookings can be made online at [www.itgovernance.co.uk/shop/p-456.aspx](http://www.itgovernance.co.uk/shop/p-456.aspx).

The Certified Information Systems Security Professional (CISSP) certification is recognised as the 'must have' qualification for a senior career in information security. However, CISSP is also known as one of the most difficult information security exams to pass first time. Attending a CISSP Accelerated Training Programme has been shown to significantly increase your chance of passing at the first attempt.

Alan Calder, CEO of IT Governance, says, "A key feature of our programme is the Pre-course CISSP Knowledge Assessment, which identifies delegates' strengths and weaknesses. The results of this assessment are used by our trainer to prepare an individual Pre Course Study Plan, enabling adaptation of the subsequent classroom training to meet the needs of the individual and the group."

The CISSP Accelerated Training Programme is delivered by a CISSP qualified trainer and examiner. It uses tailored material, including the (ISC)2 CISSP 2012 CBK domain updates, to ensure comprehensive coverage of the syllabus, thus increasing the chances of the delegates to pass the CISSP exam first time.

The CISSP Accelerated Training Programme offers a three-phase study approach including knowledge assessment, classroom training and continued online support during the crucial pre-exam period of preparation.

Bookings onto the CISSP Accelerated Training Programme can be made online at [www.itgovernance.co.uk/shop/p-456.aspx](http://www.itgovernance.co.uk/shop/p-456.aspx). Alternatively, course places can be booked directly with the friendly, helpful IT Governance service centre team on +44 (0)845 070 1750 or by e-mailing [servicecentre@itgovernance.co.uk](mailto:servicecentre@itgovernance.co.uk).
