James Moore Named A Top 200 Accounting Firm for 17th Consecutive Year

GAINESVILLE, FL, UNITED STATES, September 3, 2026 /EINPresswire.com/ -- James Moore & Co., P.L. (James Moore) has once again been recognized as one of the nation's top 200 public accounting firms.

James Moore ranked No. 111 on IPA's 2026 list, moving up one spot from the previous year. This marks the firm's 17th consecutive year on the Top 200 list.

As consolidation continues to reshape the accounting profession, James Moore has continued growing while maintaining an independent ownership model designed to keep clients close to the people making decisions. For clients, that means direct access to experienced professionals, long-term relationships with advisors who understand their organizations and the flexibility to respond to their needs as they evolve.

IPA's annual rankings are based on participating firms' net revenues and are widely used to benchmark the size and performance of firms across the accounting profession. Established in 1987 by The Platt Group, INSIDE Public Accounting has ranked the top 200 U.S. public accounting firms since 2010. View the complete 2026 IPA Top 500 rankings.

James Moore, founded in 1964, is a consulting firm that helps organizations across the United States meet their operational and financial goals. The firm offers tax, auditing and accounting, and controllership services to its clients, along with comprehensive support in human resources, technology, digital solutions, and wealth management. James Moore's team is comprised of seasoned professionals with decades of experience in their respective fields. The firm serves industry leaders in construction, healthcare, higher education and collegiate athletics, manufacturing, state and local government, nonprofit and real estate sectors.
