The Melting Pot Named a “Top 10 Must Dine” Award Winner in Pensacola

Warm cheese fondue, rich chocolate, and an evening made for sharing give Pensacola diners a reason to plan their next night out.

PENSACOLA, FL, UNITED STATES, September 21, 2026 /EINPresswire.com/ -- PENSACOLA, FLORIDA — September 21, 2026 — The Melting Pot has picked up a Top 10 Must Dine Award for Pensacola from the Consumer Ratings Institute, an honor that recognizes the restaurant's fondue-centered dining experience and its standing among diners in the area.

The Melting Pot experience begins with warm cheese fondue, blended and seasoned tableside, with artisan breads, fresh fruit, and seasonal vegetables ready to dip. After a crisp salad, guests gather around the fondue pot for steak, chicken, or seafood, cooking each bite just the way they like it. The finale is rich, melted chocolate fondue—a dessert made for dipping, sharing, and deciding there’s room for just one more bite.

“When someone says, ‘You have to try this place,’ they’re usually remembering more than what they ordered,” said Rob Arias, Franchise Owner and Operator of The Melting Pot in Pensacola. “They’re remembering who they were with, how they were treated, and what made the night special. That’s what we want our guests to share with their family and friends, and it’s why this ‘Must Dine’ recognition means so much to our team.”

Located on East Gregory Street, the restaurant welcomes guests for date nights, birthdays, anniversaries, and family dinners. The interactive fondue experience makes dinner part of the night’s entertainment, with each course bringing something new to dip, taste, and enjoy together.
Guests can customize their multi-course experience, with gluten-free and vegan options and a kids’ menu available. The restaurant also accommodates group dining and private events.
