Save now at Fiat of Chicago!

One current special is quite unique, as it could mean significant savings for

simply test driving a 2013 Fiat 500. Drivers who test drive the vehicle may enter for a chance to win one. Not only are drivers entered into the contest, but for every test drive taken, a charitable donation will be made on behalf of the driver.

Another somewhat unusual special offer goes out to drivers of current Volkswagen vehicles. Called "conquest cash," drivers who trade in their VW toward the purchase of a Fiat 500 will receive \$1,000 toward its purchase.

For more traditional specials, those who are looking to purchase a Fiat 500, regardless of what they are currently driving, can enjoy up to \$2,500 off of the 2012 model; the 2013 Fiat 500 can also be leased for just \$169/month on a 36-month lease (with \$1,999 down).

In addition, qualified buyers can receive 0% APR for up to 60 months on the purchase of select Fiat models.

College graduates receive special attention at Fiat of Chicago as well, receiving access to all of these specials as well as an extra \$500 bonus in graduate cash. Active and veteran members of the United States Military will enjoy similar savings as well.

In addition to these vehicles, the dealership also features the entire lineup of brand new Fiat automobiles as well as a selection of [gently used models](#) to provide a variety of options to discerning drivers.
