/EINPresswire.com/ UK (submitpressrelease123.com - press release) Easter might seem like a long way off, but it's not too early to book a holiday and now is the time to get great deals on fantastic [hotel breaks](#) for 2013 with Warner.

Spring is the perfect time of year to get away, as the weather is warming up and the beautiful British countryside is springing into life after a winter of snow and bare tree branches. By choosing to book an Easter break at a Warner Leisure Hotel, guests will be able to enjoy the fresh air and blue skies of England's green and pleasant land, all from the comfort of one of the company's seven country hotels. Alternatively, guests can get a taste of the sea if they choose to stay at one of Warner's two coastal hotels or one of its four charming coastal villages.

[Easter breaks 2013](#) with Warner don't just include beautiful views. All of the hotels are just for grown-ups and include fantastic entertainment every night, ranging from Motown & Soul evenings to Chris Dean's Syd Lawrance Orchestra. There are plenty of activities to enjoy in the daytime too, such as archery, swimming, singing and quizzes.

Jason Riseborough, Marketing Manager at Warner Leisure Hotels, said: "After a cold, dreary winter, what could be better than welcoming the return of spring with a weekend break?
