

Storage Options Scroll range now available at Dabs.com

/EINPresswire.com/ UK (Submitpressrelease123.com - press release) If you're on the lookout for an affordable tablet PC, look no further than Storage Options' excellent Scroll range – now available from prices of just £49.98 at Dabs.com.

Scroll tablets are designed for use both at home and on the move. Powered by the Android 4.0 (Ice Cream Sandwich) operating system - specifically designed for mobile devices - these [tablet PCs](#) provide a responsive, accessible user experience and are well equipped for social networking, media playback, internet browsing and much more besides. There are three Storage Options Scroll tablets currently in stock at Dabs.com, so if you're looking for a value-for-money tablet, you needn't look any further.

"Storage Options' Scroll tablets are great if you're looking for a reliable, easy-to-use tablet that won't cost you the earth," said Michelle Helme at Dabs.com. "There's a huge range of apps to choose from and the Android 4.0 operating system ensures that whether you're browsing the internet, delving into your multimedia collection or chatting to friends, the whole experience is smooth and easy to use."

The 4.3in Scroll Pocket - available for £49.98 from Dabs.com - is the ideal travel companion, being compact and stylish but with the power of a larger tablet device. You can stay connected using its social networking apps, use its built-in multimedia centre to sample music and video content, and much more. Wireless connectivity is built in as standard, enabling you to access the internet without any fuss whatsoever.

If you're looking for something a little more powerful, the [Storage Options Scroll Essential II](#) is priced at £69.98 from Dabs.com and comes with a wide range of popular apps. In addition, it also comes pre-loaded with Storage Options' partner app stores, enabling you to browse through even more apps and enhance your user experience even further.

The Scroll Excel II, meanwhile, is available from Dabs.com for the price of £89.98. This tablet is quick and simple to use – and not only that, but it boasts Bluetooth wireless technology and an HDMI port for 1080p/3D output to a compatible television set or monitor.
