

Transportation Management Consulting Firm, Ahern and Associates Announces Multiple Milestones Including Record Sales for 2012

Ahern and Associates caps off banner year by setting milestones in sales, transactions completed, global digital reach and charitable contributions from food drives.

/EINPresswire.com/ Phoenix, AZ, December 19, 2012—Transportation management and consulting firm, Ahern and Associates has recently announced what the industry has already suspected—Ahern has shattered performance benchmarks for 2012 with no signs of slowing.

What has been a culmination of yearly milestones in transactions completed has aggregated to the following numbers for the nationally recognized leader in transportation: Over 360 closed transactions and 200+ operational assessments since inception. For 2012, Andy Ahern, CEO of the firm has routinely announced quarterly records for the company which has culminated into the most successful year ever for Ahern and Associates, with plenty of momentum charging into 2013. Ahern's success has been predicated on his firm's ability to create markets in a landscape which has seen a dynamic shift towards consolidation within the transportation industry.

Not only has Ahern enjoyed bottom line success in 2012, he has also set milestones in his ability to regularly touch those within the transportation industry who subscribe to his digital newsletter and podcast, aptly titled, The Ahern Advisory. To date, Ahern now has a staggering 455,000+ weekly subscribers who benefit from Ahern's straight-forward advice and predictions on hard hitting topics like: the economy, government regulations and the transportation industry, sales and marketing, operations, human resources and more.

Recognizing that great success often affords the ability to help others, Ahern has also set new benchmarks in charitable donations given to the St. Mary's Food Bank via his bi-annual transportation industry food drive which just completed its 12th year. Through Ahern's reach and reputation throughout the industry, Ahern calls upon his colleagues every July and December to help replenish food bank supplies during his food drive campaigns. Ahern has now raised a record \$1,500,000 worth of food for the homeless and needy in Arizona and across the country.

"This year is one of the most successful years Ahern and Associates has had in company history and it's all due to customers and employees, without our loyal customers and honest and caring employees, Ahern would not exist," commented Ahern.
