Framing Achievement Across Photography and Videography

The achievements recognised this year reflect the balance of creativity, preparation and reliability required throughout the sector. Wedding specialists have demonstrated how natural, unobtrusive coverage can preserve the emotion and atmosphere of an important day, while considered editing, pacing, music and sound design can turn that footage into a lasting personal record.

Commercial work among this year’s entrants shows a similarly purposeful approach. Creating imagery for hotels, retailers and international brands requires photographers to work within detailed briefs and established visual standards while retaining a distinctive
