

# Chrysler Brisbane Dealership Announces The Chrysler 300's Arrival

/EINPresswire.com/ The new Chrysler 300 luxury sedan is available at Northstar Chrysler Jeep Dodge in Redcliffe. The Chrysler Brisbane dealer has a full stock of 300's ready for purchase or lease.

REDCLIFFE, QLD -- The new Chrysler 300 sedan has arrived in Brisbane and is ready for inspection at Northstar Chrysler Jeep Dodge in Redcliffe. The dealership has hundreds of the luxury sedans available for purchase or lease that can be driven off the lot immediately.

The Chrysler 300 is a classically styled luxury sedan without the luxury price point. Starting at just \$48,446, this four-door auto boasts a powerful 3.6L 8-speed automatic transmission. Also available with a diesel engine, the 300 wraps that power inside a timeless design.

"The Chrysler 300 is one of the most powerful luxury sedans available on the market right now, but it doesn't look like a muscle car. It has a very timeless, classical look. Strong, bold lines, but refined. The interior has 100% Nappa leather seating complemented with real wood and satin chrome finishes throughout. It's beautiful, inside and out," noted Bob Aldons of Northstar Chrysler Jeep Dodge in Redcliffe (<http://www.redcliffe.cjddealer.com.au/>).

The interior of the 300 boasts many creature comforts and conveniences. The Automatic Temperature Control system includes a Humidity Sensor that acts as an automatic de-fogging device. Heated front seats and dual zone climate control are standard. All Chrysler 300's include a 3 year/100,000 mile warranty and 3 years of Chrysler Roadside Assistance.

Safety and security features include: Multi-stage and supplemental airbags, Electronic Stability Control, traction control, front and rear parking assistance and a reverse camera. The 300 comes with a premium security alarm and a keyless "Enter'N Go" ignition.

As a dealer for [Chrysler in Brisbane](#) for 40 years, Northstar Motor Group offers sales and service,

including vehicle financing. Known for their community involvement, the company is family owned and operated with several unique business services such as the dealership's Overnight Test Drive Program. This program allows auto shoppers to keep the vehicle for 24 hours to get a better feel for it and how it would fit into their lifestyle.

"These make great executive autos. We've had a lot of enquiries from businesses that are either interested in purchasing them for their fleet or for their executives. We can do purchases or leases and we have customised financing packages available to assist all our customers in getting the auto they want. If you've been longing for a luxury auto, come out and take a test drive of the 300. You won't be disappointed," said Aldons.
