January 1, 2013 – Montreal, Canada – Playing blackjack online just got whole lot sweeter thanks to (site name). Card players love blackjack for its fast-paced play, high win rate and its thrilling edge-of-the-seat suspense as that card falls from the dealer. Now, players in an online casino Canada can enjoy this all-time favorite in a wider variety than ever before.

- Live Blackjack gives the players a chance to experience their favorite card game live and in real-time. Customers enjoy this version because it offers a chance to socialize with other online casino gamers at the same time.
- Progressive Blackjack offers customers the opportunity to enjoy a continuous gaming experience. This game builds on previous moves, and the excitement builds too, so get ready for some serious blackjack online.
- Blackjack Surrender offers both single hand and multiplayer modes so players can choose whether they want a casual round of game play or are ready for a more intense, higher commitment game of blackjack online.
- Blackjack Switch is a blackjack online game that allows players to switch out some of their cards for other cards on the table. The rules are a little more complex than the average card game, which makes it that much more challenging and, of course, fun to play. Many customers prefer

the added variety that this version of the traditional blackjack offers.

- 21 Duel Blackjack lets players choose a value for their chips, place side bets and combine cards in your hand with the communal cards for another. The change over in this game is even more than the Blackjack Switch, so players can just imagine the excitement that comes along with this thrilling online casino game.
