

Book a romantic Valentine's break with Warner

/EINPresswire.com/ UK (submitpressrelease123.com - press release) If you're looking to get away from it all in the new year and want to experience the best of what the UK has to offer then what could be better than Valentine's breaks at a Warner Leisure Hotel?

The leisure hotel's company – which offers exclusive, adults only accommodation – has a range of Valentine's breaks on offer and each includes activities and fabulous entertainment for which it has become famous.

There are two options available for couples – the Valentine's weekend break that begins on Friday February 15th and a midweek break, which begins on Monday February 11th. These special themed breaks will include plenty of beautiful Valentine's decorations, as well as musicians who keep the diners well entertained.

On top of this, guests will enjoy the high standards of food, accommodation and activities they have come to expect from [hotel breaks](#) with Warner, all set among the beautiful surroundings of one of the company's 13 hotels and coastal villages.

Jason Riseborough at Warner Leisure Hotels, said: "[Holidays in spring](#) are always beautiful as the great British countryside is just coming back to life after its winter of hibernation. This, combined with the romance of Valentine's Day, is the recipe for a perfect holiday.

"As well as the usual activities and entertainment we offer in all of our adult-only hotels, guests on a Valentine's Day break will also be treated to some extra special romantic surprises, giving couples the chance to truly spend some quality time together."

Warner hotel breaks are available throughout the year and there are special packages available for the bank holidays, as well as Easter and Christmas. Couples who want to celebrate Valentine's Day in style shouldn't delay in booking their break to ensure they do not miss out on a truly memorable trip that they will treasure forever.
