

Customers Benefit from RTA Cabinet Store's Affordable Kitchen Cabinets Low Price Guarantee

/EINPresswire.com/ [RTA Cabinet Store](#) Will Beat Any Price of Other Online Stores

Cash is tight these days and people want the lowest price for quality merchandise, and RTA Cabinet Store has taken that mantra to heart with their [affordable kitchen cabinets](#) low price guarantee.

"It just makes common sense that the company with the best products and lowest prices is going to get the customers," founder Gary Nealon said. "Our price match guarantee is designed to make sure we're always going to be the lowest price for the same items and that includes shipping."

People can scour the Internet looking for the lowest and best prices for affordable kitchen cabinets, but when done, they can click over to RTA Cabinet store to get the best deal.

Anyone taking part in the guarantee must follow certain guidelines:

- The quote must be for the exact same cabinets being delivered to the same home.
- The quote must come directly from the company and have its name on it. RTA Cabinets accepts shopping cart print outs, pdf copies of the quote or forwarded emails if it contains the name of the person that quoted the customer.
- Each quote will be confirmed prior to providing the guarantee and the store will not accept a verbal quote.
- It must contain a complete list of cabinets, the price of each cabinet and shipping charges.
- The quote must also be dated in the past two weeks before being sent to RTA Cabinet Store.

"These guidelines are merely precautions and shouldn't be a problem for a legitimate quote," Nealon said. "We just want to make sure we aren't comparing apples to oranges."
