

# Battlestar Galactica Slot is the December Games release for Microgaming

/EINPresswire.com/ The [Battlestar Galactica Slot game](#) was released at leading online casinos in December and offers players a unique new feature and jackpot bonuses.

As if the Dark Knight was not a cult enough game for the year Microgaming needed to end 2012 with a bang, and they ensured this would happen by releasing the Battlestar Galactica slot game before the year was out. This slot game is themed around the highly acclaimed TV Series Battlestar Galactica and features characters straight from the show as symbols and animated entertainment. Battlestar Galactica slot game is filled with bonus features and jackpots but what makes it even better is the three game modes that transform this from an ordinary game to an extraordinary slot game.

The incorporation of games mode is a new feature for most slot games and this actually makes the slot game feel like it has different levels for players to enjoy. The modes are triggered randomly and players will be able to enjoy all the different features as the slot game changes from one phase to the next. Mode 1 is the base game and this is normal play where all the rules are the same and players can earn wild wins and free spins

in this mode. Mode 2 is Run mode and her all pays are paid out from left to right and right to left increasing players chances of winning, when the FTL symbol lands in the middle reel all the royal symbols will jump over board and be replaced by a random symbol. Mode 3 is Fight mode this is when the Colonies battle it out with the Cylons and as they fight each explosion will turn symbols into wilds and double wilds for added bonus winning.

Another new feature in Battlestar Galactica is that players will be able to work their way up the ranks from Civilian to the position of Admiral. There are eight ranks in total for players to work through and with each spin players will move up the ladder. Each time a rank is reached new footage will be unlocked for players to enjoy and finally a super symbol to help create endless wins.

The Battlestar Galactica slot game is a video slot with five reels and a 243 ways to win payline system. Players can choose coin sizes when betting and place a max bet of 300 credits the max payout is 1,400,000 credits meaning this is a game you would want to win. The Battlestar Galactica game is now live at all leading online casinos supplied with Microgaming games technology.
