

# The On-Time Technicians at One Hour Durham Launch New Site Design

---

/EINPresswire.com/ One Hour Heating & Air Conditioning of Durham, NC, Launches New Site Design by Dallas Internet Marketing Company Advice Interactive Group

In order to match their website's style to their growing popularity in the Durham area, One Hour Heating & Air Conditioning recently partnered with Advice Interactive Group, an [Internet marketing firm in Dallas](#), to redesign their website, which debuted online in early January.

The brand new site design features a striking layout of yellow, black, and red. Website visitors will still be able to find all the information they need on the company's various service areas, including air conditioner and [heater repair](#), the Comfort Club maintenance program, and zone heating systems.

New to the site are pages dedicated to the company's various financing options, which allow customers to easily afford much-needed services through options like no interest and credit-friendly financing. Visitors will also recognize the company blog, which offers tips about maintenance and repair for heating and cooling units. It now has a more convenient and visible placement on the sidebar located on the homepage.

One Hour Durham is proud to serve the Durham, NC, area with quality air conditioning and heating services. The company also handles air duct cleaning and monitoring residential indoor air quality levels, and can service and install hot water heaters, both conventional and tankless.
