

New Games Added at Platinum Play Casino Every Month

/EINPresswire.com/ [Platinum Play online casino](#) are keeping players on their toes by adding new casino games to the casino lobby every month. They already boast over 800 games and this will soon grow as they add more each month making them a great online casino for the picky casino game enthusiast.

Each month Platinum Play online casino updates their games lobby with new and exciting games for players to enjoy. There are already over 800 games in the Platinum Play Lobby and players are spoilt for choice with the variety of [Slot games](#) and table games on offer.

There are numerous types of slot games and gambling slots on offer at all online casinos so players will just need to choose an online casino that suits their needs. The slot games on offer at Platinum Play casino vary from traditional slot games to Video Slot games and some slot games offering progressive jackpots of over one million. Slot games are some of the most popular online casino games so that is why many casinos offer such a vast variety of these games. In 2012 alone Platinum Play added over twenty new slot games to their mammoth portfolio.

Some of the more popular online slot games last year were the Dark Knight Slot, Battlestar Galactica and the Untamed series of slot games including Untamed Wolf Pack, Untamed Giant Panda and Untamed Bengal Tiger. Platinum Play was also one of the first online casinos to release an arcade type slot game called Max Damage and the Alien Attack. This particular slot game actually featured no reels and paylines which is the basis for a slot game so Platinum Play was also breaking new ground with this game.

Platinum Play claim to have some of the [best casino games](#) on offer and now that new games are on offer every month this may be true. Some players may argue and say that the best casino games are not slot games but table games as when one thinks of a casino they think Poker, Blackjack or Roulette. Online casinos have covered every angle when it comes to supplying games for these players and they offer a tremendous variety of these games in European and American versions to accommodate international players. Players can choose from the likes of Texas Holdem Poker and Video Poker, Multiplayer Blackjack and single player blackjack.

Platinum Play casino also updates their Table game selection throughout the year offering players new table games and some of the classics revived. When players are looking for an

online casino that offers the best casino games they should look for an online casino that offers high quality games with high payouts and an online casino that updates their game portfolio on a regular basis ensuring players get the chance to play some of the new casino games on offer
