

NinjaTrader Welcomes SupportandResistance.com To Its Educational Partner Program

/EINPresswire.com/ Chicago, IL (Submitpressrelease123.com - press release) Founder, Erich Senft has been actively involved in the Futures markets for 17 years. He is a registered CTA and recognized by many as an expert in the field of [support and resistance](#) trading. The commodity markets first captured Senft's attention in the 1970's when the Hunt brother's tried to corner the silver market. Ever since then he had a desire to learn more about what made the commodity markets tick. This desire and his market experiences are now available at SupportandResistance.com in the form of trader education and a live trade room. Nearly all of the content on SupportandResistance.com is free of charge including NinjaTrader training, systems education, indicator implementation, trading psychology and solid money management tactics. Senft also provides student mentorship that is custom designed for both beginner and tenured traders. "NinjaTrader's free distribution model and simulated trading environment compliments our philosophy to provide as much free education as possible" says Erich Senft, Founder of SupportandResistance.com. "I am also proud in recommending NinjaTrader to my students since their customer service goes above and beyond to deliver the industry's most responsive and dependable trading experience."

About NinjaTrader, LLC - Founded in 2003, NinjaTrader, LLC (www.ninjatrader.com) has quickly emerged as a leading developer of high-performance trading software. NinjaTrader is a FREE application for advanced charting, market analytics, system development and trade simulation.
