The solution has been provided on a hosted basis.

ACCELYA
Complexity Simplified

Speaking on the occasion, Mr. Thongchai Singhakul, Vice President, Financial Accounting Department, Thai Airways International said, "As a national flag carrier competing in a fast-paced global environment, it is important for us to rely on the best solution."

REVERA® PRA will enable Thai Airways to:

- Streamline their passenger revenue accounting processes
- Minimise processing errors and maximise productivity through automation.
- Report accurate, timely and complete revenue accounting data
- Speed up industry compliance including IATA's Simplified Interline Settlement (SIS)
- Access accurate, up-to-date and indepth revenue accounting information to support business goals and decision making
- Interface revenue accounting information with SAP and other internal systems
- Reduce cost of operations with transaction based pricing model

"We are delighted to partner with Thai Airways for their passenger revenue accounting requirements. We firmly believe that REVERA will help them in enhancing speed and accuracy in revenue accounting and addressing their business goals." said Ms. Neela Bhattacharjee, Head – Airlines SBU, Accelya Kale Solutions.

REVERA® PRA is the leading and the most comprehensive passenger revenue accounting

platform for airlines. It is designed to handle the complexity of revenue accounting with ease. With its powerful business Intelligence capabilities and real time revenue reporting, REVERA delivers tangible business value to the airlines. Its high level of automation minimises processing errors and maximises productivity. REVERA helps airlines implement industry best practices and respond to the demands of their internal customers with speed and accuracy. REVERA is SIS compliant and is powered by the industry leading proration engine APEX®.
