/EINPresswire.com/ UK (submitpressrelease123.com - press release) [Nursery](#) group kidsunlimited is set to open its second nursery in the London Borough of Wandsworth. The new nursery, located on Chatham Road, just off Northcote Road, will open its doors to children in Spring 2013.

kidsunlimited decided to open another nursery in the Wandsworth area due to the phenomenal support received for the idea from those in the local community. The nursery will provide home bases each designed specifically for babies, toddlers and pre-school aged children. There will be a secure external play area and ample parking for parents when they come to pick up or drop off their youngsters.

The [Northcote Road nursery](#) will be open from 7.30am to 6.00pm, 52 weeks of the year, excluding Bank Holidays. Fees are fully inclusive, which means babies and children will be provided with food, drinks, nappies and formula milk while they are within the care of the nursery. There will also be an onsite cook to prepare menus created by a nutritionist to ensure children have a healthy and balanced diet.

kidsunlimited prides itself on offering children the chance to take part in many varied, age appropriate activities, as well as its pioneering culture and languages programme. kidsunlimited's professional team of childcare experts have created a series of programmes and activities that focus on developing different sets of skills and knowledge so that children are stimulated, engaged and developed both academically and socially.

Jeremy Clark, Development Director at kidsunlimited, said: "It's wonderful to be opening another nursery within the Wandsworth area after receiving fabulous support since opening our first nursery here in 2006. We have been working hard behind the scenes and we believe the nursery will offer a variety of features that help to develop and stimulate the children. As always at kidsunlimited our fundamental aim is to offer the best possible environment in which children can flourish and naturally love learning forever."
