Sarai Korpacz Releases New Song 'Turn On His Light,' Inspired by the Transformative Power of Christ's Light

New Christian single calls believers to carry the light of Christ into lives, communities and systems in need of change.

NEW YORK, NY, UNITED STATES, September 9, 2026 /EINPresswire.com/ -- Christian singer-songwriter Sarai Korpacz has released her new song, "Turn On His Light," a faith-centered declaration inspired by the words of John 1:5: "The light shines in the darkness, and the darkness has not overcome it."

> The light we carry should make a difference. It should change lives, correct what is wrong, bring transformation, and help set people free."

Released September 7, 2026, "Turn On His Light" is now available on major music streaming platforms, on YouTube, and through Korpacz's website.

At the heart of the song is the biblical revelation found in John 1:4: "In Him was life, and the life was the light of men." Korpacz says the message of Christ's light is not meant to remain merely a personal experience, but to become a visible and transformative force wherever darkness, injustice, bondage, or brokenness exists.

"The Word of the Lord reveals that Jesus is life, and this life is the light of men," Korpacz said. "When Scripture tells us that the light shines in darkness and the darkness cannot overcome it, that means the light we carry should make a difference. It should change lives, correct what is wrong, bring transformation to systems, and help set people free."

The song's foundation in John 1:4–5 presents light not simply as imagery, but as an expression of the life found in Christ. Against circumstances that may appear dark or resistant to change, the passage declares that darkness does not possess the final word.

Through the release, Korpacz hopes listeners will consider what it means to actively "turn on" His light, in homes, workplaces, communities, and places where truth, compassion, justice, and freedom are needed.
