GIG HARBOR, Washington – Christening Gowns.com, the maker of high quality christening gowns and suits for girls and boys, has announced that an outfit from one of its collections was recently featured on the ABC TV show "Revenge." The boys' baptism outfit from the Justin White Collection was worn by infant character Carl in the series' Episode 9, "Revelations," which included a scene at the baby's christening.

The Justin White Heirloom Christening Gown is part of a collection created by Roberta Salton, designer and founder of Christening Gowns.com. The gown is made of white dupioni silk with a blue silk sash that ties in the back. The sash is also available in white. Other items in the collection include a silk hat with a blue or white silk band and a [christening blanket](#). The items are designed and handmade in the USA.

"One of the latest trends in modern christening outfits for both boys and girls is to wear the cathedral-length heirloom gown," said Russ Salton of Christening Gowns.com. "The Justin White Collection has the classic look that people imagine when they think of baptisms and christenings. That's why it was so perfect for the show."

The gown from the Justin White Collection as seen on "Revenge" can be purchased online at Christening Gowns.com.
