As mentioned in InStyle magazine, daniPro helps to ensure that manicures and pedicures are safe and hygienic by eliminating bacteria that causes fungus. If nails are not cared for, it is very easy to get a fungal infection, turning the nails ugly, yellow, and brittle. With summer soon approaching, who wants to have to hide their toes?

Experts say that 35 million people have some type of fingernail or toenail fungus. It is easily transmitted but not easy to get rid of. That's why it is so important to take good care of your feet so that they can take good care of you. daniPro Anti-Fungal Nail Polish makes this easy and fun by offering a great product with added health benefits. With a line up of attractive colors, such as Pearlescent Mocha and Lilac, daniPro is an industry-leading anti-fungal nail polish with the potential to transform your nails.

daniPro is a must-have addition to anyone's foot care regimen, and now Foot Essential makes it even easier by offering a new line of [foot care packages](#). These packages are made up of combinations of anti-fungal nail polish and various creams and lotions. When using a combination of high-quality foot care products and daniPro, customers have noticed a remarkable improvement in the health of their feet. Wouldn't it be nice to have silky smooth feet?
