Partnership Puts Access to Thousands of Wineries, Farms, Breweries and Other Unique Overnight Hosts in the Hands of Every Campers Inn RV Customer at No Additional Cost

FLEMINGTON, NJ, UNITED STATES, September 9, 2026 /EINPresswire.com/ -- RV Overnights, the founder-owned membership platform connecting RVers with small-business hosts for unique overnight stays, today announced a new partnership with Campers Inn RV, the nation's largest family-operated RV dealership group. As part of the partnership, every customer who purchases a new or used RV from Campers Inn RV will receive a complimentary one-year RV Overnights membership. Customers who visit a Campers Inn RV location for service and spend more than $2,000 will also receive a complimentary one-year membership. The partnership will be celebrated at the Hershey RV Show, September 16–20, 2026.

The agreement represents the largest distribution partnership in RV Overnights' history, giving RV buyers across more than 50 Campers Inn RV locations nationwide access to the platform's growing network of more than 1,600 unique host locations. The partnership also marks a new phase for RV Overnights, with the membership being bundled directly into the RV purchase through Campers Inn RV's Innside Access perks program rather than offered solely as an optional add-on.

"For RV Overnights, the timing matters," said Rob Case, co-founder and CEO of RV Overnights. "Being included with a 50-plus-location dealer group gives us a direct connection to thousands of new RVers each year, right at the moment they're thinking about where their first trips will take them. We're excited to pair RV owners with unique host locations and help turn the excitement

of buying an RV into getting out and exploring."

"At Campers Inn RV, we say we're Right By You. But it's more than a tagline, it's the test every decision has to pass," shared Ben Hirsch, CEO of Campers Inn. "This partnership passed easy by giving our customers more places to camp, more experiences, and more value out of the RV they just bought. Our job doesn't end at the sale. Customers count on us to look out for them down the road, and RV Overnights is one more way we take care of our people long after the paperwork is signed."

The complimentary one-year RV Overnights membership, a $49.99 value, gives members access to overnight stays at unique host locations throughout the U.S. and Canada including wineries, farms, breweries, distilleries, cideries, museums, golf courses, animal rescues, churches, BBQ restaurants and more.
"RVs don't get used because people don't know where to go. They buy the rig with big plans, and then it just sits," said Case. "Partnering with a dealer group the size of Campers Inn RV means every new owner gets handed a destination and a plan, not just a discount. That's a win for RV owners, and it's a win for the small businesses welcoming them."
