SPRING, TX, UNITED STATES, September 21, 2026 / EINPresswire.com/ -- ONDECOR LLC, a fast-growing leader in home décor, today shared customer demand data highlighting art deco wallpaper as a defining trend of 2026, with search interest and orders climbing across its peel-and-stick lineup. Geometric fans, metallic accents, and roaring-twenties glamour return as the season's statement.

"Art deco is the design equivalent of a great cocktail dress — glamorous, structured, and instantly elevating. Homeowners are done with boring walls." said Gabriel Batista, CEO of ONDECOR LLC.

ONDECOR's art deco wallpaper collection spans geometric fans, metallic pinstripes, and bold motifs designed for powder rooms, dining spaces, and statement walls.

Every design is PVC-free, non-toxic, and manufactured in the United States to ONDECOR's eco-friendly standards. The company has served more than 48,000 customers and remains committed to sustainable, affordable design without sacrificing quality.

"The geometry is what makes it timeless. Those fans and chevrons give a room rhythm, and a touch of gold makes it feel expensive without being." added Batista.

The full collection is available now at https://ondecor.com/collections/art-deco-peel-and-stick-wallpaper with free shipping on all U.S. orders.

Media and design partners can request free peel and stick wallpaper samples through the ONDECOR website.

About ONDECOR LLC: ONDECOR is a U.S.-based maker of PVC-free, peel-and-stick and traditional wallpaper, serving more than 48,000 customers.
