

NJ Trade Show Displays Designer Enjoys 3-Year Sales Climb, Credits Success To Innovative Designs

/EINPresswire.com/ Skyline New Jersey, a designer of trade show displays, has seen a 35% increase in sales in the last three years. The company has become well-known for innovative designs and [trade show stands in New Jersey](#) and beyond.

PINE BROOK, NJ -- Skyline New Jersey has announced a third straight year of increased sales. The [NJ trade show displays](#) vendor attributes the 35% increase in sales over the past three years to the company's innovative products and design teams.

"In spite of businesses cutting back and a recovering economy, Skyline New Jersey realized a 35% increase in sales over the last three years. We believe it is a combination of our commitment to bringing new and innovative designs to our clients and the outstanding design team we employ," noted Scott Price of Skyline New Jersey (www.skylinenj.com).

The designer of [trade show displays in New Jersey](#) has a total of 19 unique exhibit systems designed to meet any need and any budget. Choices include everything from small pop-up displays and banner stands to large scale island exhibits. The exhibit designer's portfolio also includes: portable and table top displays, modular inline designs, panel systems, fabric structures, truss and other structural, custom modular exhibit systems. Skyline trade show stands in New Jersey are known for their high quality, great design, cost-saving portability and innovative functionality.

"Our showroom in Pine Brook, New Jersey is always open to visitors. All of our new products are available for exhibitors to come and see for themselves. The designs speak for themselves," noted Price.

Skyline New Jersey is part of the global Skyline network consisting of nearly 100 design centers in North America and more than 1,500 team members worldwide. Skyline's history of creativity, innovation, and performance includes over 70 patents and winning all the major U.S. exhibit industry awards, including Best of Show at Exhibitor Show and TS2. In further recognition of the company's expertise in innovation Skyline Exhibits, the parent company of Skyline New Jersey,

was one of three companies to win the Outstanding Corporate Innovator Award from The Product Development & Management Association (PDMA) in 2012.

Over the course of a nine month selection process, Skyline Exhibits was evaluated on their commitment to innovation in both product development and the products themselves. The nominees are further judged on the sustained success of their innovations. 2012 was the 25th anniversary of the Association's Outstanding Corporate Innovator Award. Former award winners include: Apple, Bausch & Lomb, BMW, FedEx, Harley- Davidson and many other recognizable brands.

Skyline Exhibits and Skyline New Jersey offer exhibit rentals as well as sales, custom-designed graphics and service support. The company maintains Regional Service Centers in major cities including: Las Vegas, Orlando, Toronto, China and Mexico.

About Skyline New Jersey: Skyline Exhibits New Jersey (<http://www.skylinenj.com/>) has a complete team of designers who can create and execute trade show exhibits, banner stands and other elements for businesses in every industry. Their award winning kiosks and trade show stands in New Jersey can be professionally installed by their own team of event professionals.
