/EINPresswire.com/ For nearly 40 years, Art Bronze has casting a wide variety of fine sculptures for discriminating clients all around the world. With a distinctive collection of 19th and 20th century European and American bronze sculptures, Art Bronze offers art for every connoisseur.

For nearly 40 years, Art Bronze has casting a wide variety of fine sculptures for discriminating clients all around the world. With a distinctive collection of 19th and 20th century European and American bronze sculptures, Art Bronze offers something that suits every art connoisseur. From superbly crafted Frederic [Remington statues](#) to lifelike wildlife sculptures from Rembrandt Bugatti, Art Bronze is proud to craft these stunning heirloom pieces that will last a lifetime.

With more than 330 bronze and stainless steel statues available, there is no shortage to the wide array of products available in Art Bronze's vast collection. Each pieces of art is crafted using the lost-wax casting method by skilled artisans working in Art Bronze's private art foundry in Burbank, California.

Lost-wax casting is when a metal sculpture is cast from an artist's sculpture. Detailed, intricate works are achieved using this method. Since the mold is destroyed to unveil the cast beneath, each and every piece of art created by Art Bronze is original while maintaining the desired effect and emotion of the original artist.

Art Bronze offers a variety of sculptures and statues by renowned American artist Frederic Remington. Remington statues reflect a nostalgic view of the American Wild West and are beloved by art collectors of all ages.

There are 22 Frederic Remington sculptures that were made during his short but memorable career. "The Bronco Buster", "The Cheyenne", and "The Rattlesnake" are some of the easiest

Remington sculptures to recognize. These statues are currently available through Art Bronze's easy to use website. With lifelike attention to detail and the effect of fluid movement, a [Remington sculpture](#) seems to leap to life before the eyes.

Unlike most companies on the internet, Art Bronze does not serve as a mere distributor of imported castings from Mexico or China. Art Bronze has been casting quality bronzes and sculptures in California since 1974. Every sculpture is created using the highest grade of pure bronze by some of the world's most talented artisans. With such longevity and attention to quality, it's no wonder why Art Bronze is the preferred choice for so many art collectors worldwide.

About Art Bronze:

Since 1974, Art Bronze has cast the finest sculptures for the most astute art enthusiasts around the world. With more than 330 bronze and stainless steel statues available, Art Bronze offers a wide range of exquisite sculptures crafted to the highest standards. Customers that choose Art Bronze are choosing the highest level of quality and craftsmanship made with care by talented artisans.
