

Bear Tracker Energy, LLC. Makes Generous Contribution to Denkai Animal Sanctuary

/EINPresswire.com/ [Bear Tracker Energy, LLC.](#) Makes Generous Contribution to [Denkai Animal Sanctuary](#) Showing Support for the Local Community.

With a deadline of May 1, 2013 looming in the near future, Denkai Animal Sanctuary has no time to waste in raising a minimum \$100,000 needed toward a \$380,000 balloon payment that will save the non profit's 640 acre home for abandoned, abused and neglected animals.

Nearly five years ago, in 2008, Denkai was able to raise a \$40,000 down payment to secure this property and the seller carried the rest of the note with a five year balloon. This note is due May 1, 2013. A total of \$380,000 is needed in order to accomplish this. Denkai MUST raise a minimum of \$100,000 in order to permanently secure a home for the animals. The remaining \$280,000 is being looked at as an investment opportunity by a local foundation as well as the Farm Service Agency. With either option, Denkai still must raise \$100,000 to completely secure a safe haven for animals in need.

Bear Tracker Energy, LLC has played a major role in backing the community they serve and assisting Denkai Animal Sanctuary to reach this goal. Recently, Bear Tracker Energy gave a very generous contribution pushing total funding raised past the halfway mark of \$50,000.

Bear Tracker Energy is a Denver based midstream company with primary geographical focus in the Rockies. Bear Tracker's management team possesses a strong mix of engineering, operations, and financial know-how. Their extensive knowledge of the midstream business enables them to design and implement timely, innovative and cost-effective solutions for their customers. <http://beartrackerenergy.com/index.html>
