

# CorporateOffice.com Launches Consumer Info Portal - Features Major US Business Locations and Reviews

/EINPresswire.com/ Badar Investment LLC announces the launch of its consumer information service portal CorporateOffice.com. New service enables consumers to access [corporate office](#) addresses, phone records and reviews of major US businesses.

Today, Badar Investment LLC has announced the launch of CorporateOffice.com (<http://www.corporateoffice.com/>), a consumer information portal which enables consumers to get access to contact information on corporate offices and [corporate headquarters](#) of major US corporations. Consumers may read and publish reviews to get their opinion or story heard.

Unlike many corporate office sites on the web, this portal delivers features that have not yet been seen on similar websites. Besides getting access to corporate office address details, this portal features a company's corporate office address, office location, [map directions](#) and also QR Codes containing a company's phone number, address and website address.

Besides the features mentioned above, the site also allows consumers to share their experience about any company they have dealt with in the past, enabling other consumers to "join the discussion" about a company. Such information is valuable for people interested in doing business with a company they have never dealt with and is often a great help factor when having to make decisions about working with a company or with its competition.

The site currently features thousands of business listings including their addresses, phone numbers, contact details and consumer reviews. Future plans include to making additional tools and gadgets available to end-users. This project has been created and financed by Badar Investment LLC, a financial investment and development company.

Media agents and journalists are invites to interview Mr. Charania by using the contact details below. The contacts below are for press and media queries only. Consumers may contact the site owners by visiting <http://www.corporateoffice.com/contact.html>.
