

Zeidler Dental Group Is Dentist Of Choice For San Jose Radio Host

/EINPresswire.com/ As leading cosmetic dentists in the San Jose area, Zeidler Dental Group has become the exclusive dental provider to local celebrity and radio host Gary Scott Thomas. Mr. Thomas is the voice of KRTY, a country radio station based in San Jose, California.

Since giving him a complete smile makeover five years ago, Zeidler Dental Group, a family and cosmetic dental practice that's created thousands of beautiful smiles for patients, is proud to have become the exclusive dentist for local celebrity and radio host Gary Scott Thomas. Mr. Thomas is the voice of local country radio station KRTY.

"Using veneer enhancement, we were able to give Gary a virtually flawless, perfect smile," said Dr. Clayton Zeidler of Zeidler Dental Group. "That's not only satisfying for him—it's rewarding for us. We've built our practice on giving patients the gorgeous smiles they've always dreamed of having, and we appreciate the positive testimonials they've given us in return."

As evidence of Mr. Thomas's satisfaction with his results, his radio station, 95.3 FM KRTY, now advertises Zeidler Dental Group at various times during each day and points listeners to before-and-after photos of Mr. Thomas's smile makeover on the KRTY website (KRTY.com).

"We're proud to advertise on KRTY and spread the message about our expertise in cosmetic dentistry," Dr. Zeidler said. "What we did for Gary we can do for his listeners, and we're eager for the opportunity."

Located in San Jose, Zeidler Dental Group specializes in family oral care, teeth whitening, dental implants, and porcelain veneers for patients throughout the San Jose, Cupertino, Saratoga, and Campbell areas. The dentists are licensed by the State of California as general dentists who also provide cosmetic dentistry procedures.
