Click Bond Invites Students and Families to MFG Day Event

Watertown facility opens its doors to inspire future STEM talent, promote career opportunities, and celebrate 250 years of American manufacturing achievements.

You're invited to MFG Day 2026 at Click Bond in Watertown, CT

WATERTOWN, CT, UNITED STATES, October 1, 2026 /EINPresswire.com/ --

Click Bond, Inc. invites students and their families throughout the Watertown area to its annual Manufacturing Day (MFG Day) educational fair on Wednesday, October 14, from 6:00 – 8:00 p.m. at its facility located at 18 Park Road, Watertown, CT 06795. This event is designed to showcase the modern manufacturing industry and inspire the next generation of creators. This year's MFG Day, which is celebrated nationally on Friday, Oct. 2, also will celebrate 250 years of American manufacturing, the backbone of America's economy.

Attendees will have the opportunity to explore the Watertown plant to see up close how employees use cutting-edge technology to turn raw materials into products that are used to build some of the most well-known and important aerospace, defense, space, and industrial platforms in the world.

Attractions will include:

- Tour of manufacturing plant
- Games and hands-on activities
- Interactive robots
- Automation demos

- Extended Reality (XR) tools
- Info about career opportunities and hiring
- Prizes, candy, and Click Bond swag, including a free toy brick assembly kit (while supplies last
- Food and drinks compliments of Click Bond

Guests can cast their votes for their favorite booth! Representatives will be on hand to speak with media representatives about Click Bond products and processes, the manufacturing industry, and the multitude of career opportunities available to locals.

RSVP to reserve your spot and ensure access at https://ct.rsvp.clickbond.com.

About Manufacturing Day
National Manufacturing Day, which is always observed on the first Friday in October, is a nationwide event led annually by the National Association of Manufacturers. MFG Day was created to showcase the innovations of modern manufacturing and ignite enthusiasm for manufacturing careers. As manufacturers seek to fill 4 million high-skilled, high-tech, and high-paying jobs over the next decade, MFG Day empowers manufacturers to come together to address their collective challenges so they can help their communities and future generations thrive.

Plant tours are the cornerstone of MFG Day and the most effective method for showcasing operations, generating

enthusiasm, and improving perceptions. Opening the doors and providing students, educators, parents, lawmakers, and the community a firsthand look at manufacturing processes, high-tech systems and equipment, clean and safe work environments, and company culture allows attendees to visualize how their own interests and aptitudes may align with future careers in manufacturing.

Toy brick assembly kits will be given to attendees at MFG Day (while supplies last)

###
