

# Essential Beauty Is Now Offering ASAP Skin Care To Its Clients

/EINPresswire.com/ Australia's number one beauty franchise, [Essential Beauty](#) is now offering [ASAP skin care](#) line to its already extensive range of beauty services.

Australia's number one beauty franchise, Essential Beauty, have decided to include the ASAP skin care line to its already extensive range of beauty services, specialised treatments and products. Essential Beauty continues to lead the national beauty industry with an extensive service menu featuring waxing, piercing, spray-tanning, permanent hair reduction, microdermabrasion and semi-permanent make-up. The introduction of ASAP's well-established skin care line has been an organic transition for Essential Beauty and their plans for rapid expansion.

With both Essential Beauty and ASAP launching in 2000, the two companies have experienced continued growth in their fourteen years of operation. Regarded as Australia's leading cosmeceutical company, ASAP's focus is on the simplicity and the effectiveness of products for problematic skin. Using Australian made ingredients, free from harmful chemicals, detergents, artificial fragrances and animal derivatives, the range is only available from trained skincare professionals, doctors and dermatologists.

Boasting impressive, fast-acting and visible results, ASAP skin care has the guarantee of being scientifically tested with proven benefits. Younger, fresher and healthier looking skin can be achieved with their specially selected active ingredients including Alpha Hydroxy Acids, antioxidants, Vitamins C and A complemented by the natural elements of Green Tea and Aloe Vera.
