COLUMBUS, GA, UNITED STATES, September 10, 2026 / EINPresswire.com/ -- Barber’s Driving School Outpaces Competitors with Global Georgia DDS-Approved Zoom Classes for DUIs, Drug Offenses, Traffic Tickets & Georgia License Reinstatements.

Rather than traveling to a local, in-person driving school, students can opt for Barber’s highly engaging, live remote virtual classroom environment. Founded in 1964 by a Columbus police officer and built on a third-generation family legacy, the school holds a flawless 5.0-star reputation for Georgia regulatory compliance and safety education. Transitioning their proven curriculum to live video remote conferencing allows the school to deliver unmatched scheduling flexibility that traditional, localized facilities simply cannot match.

program.

"Our mission is to provide the absolute highest tier of public safety education with convenience that fits the reality of today's busy lifestyles," said Buster Barber, third-generation Operations Manager of Barber’s Driving School. "Navigating a license reinstatement for a DUI, drug offense, or traffic ticket is stressful.
