

Global EDD Group Extends eDiscovery Data Collection To Service Providers

/EINPresswire.com/ Enhanced Solution Allows [Electronic Discovery](#) Service Providers to Focus on Their Core Business While Expanding Services

Global EDD Group Ltd, a leading provider of innovative electronic discovery services across the globe, today announced the addition of the Data Collection for Service Providers solution as part of their business to business Industry Partner Program. This enhanced solution will enable service providers to focus on their core competencies while seamlessly expanding their suite of services and geographic footprint by integrating Global EDD Group services within their own service offering.

Global EDD Group specializes in providing data collection and digital forensic services to service providers from a variety of vertical markets. The technology, knowledge and skill set required to provide data collection, digital forensic and data preservation services is very precise, often very costly and requires continual refinement to retain expertise. While these parameters can present a challenge to many service providers given the transactional nature of the [litigation](#) industry, having a specialist such as Global EDD Group as a partner provides a strategic and competitive advantage that directly impacts profitability and improves client satisfaction.

A summary of Global EDD Group's Data Collection for Service Provider Solution is as follows:

Types of Data Collection Services:

- > Remote Data
- > Cell Phone & Mobile Devices
- > Networked & Live Data
- > Forensic Imaging
- > Social Media & Web Site Preservation (Facebook, Twitter, LinkedIn, WordPress, YouTube, Blogger, etc)

Advantages of Partnering with Global EDD Group:

- > Detailed Experience in Cross Border Matters & Complex Investigations
- > Technology Facilities in Asia, Europe & North America
- > Mobile [E-Discovery](#) Processing Units
- > Partner Retains Client Relationship

Benefits of Partnering with Global EDD Group:

- > Extremely Competitive Pricing Models
- > Strict No Competition / No Solicitation Policy
- > Increased Profit Margins
- > Leverage International Resource Network

Service Providers interested in learning more about these services should call +1.216.220.5848, +1.888.690.DATA (3282), email info@globaledd.com, or visit www.GlobalEDDGroup.com for additional information. Members of the Global EDD Group team will be attending LegalTech New York 2013 and will be available for private meetings.

About Global EDD Group Ltd

Global EDD Group was founded with the vision of bridging the wide gap between domestic organizations and their growing national and international legal technology needs. Based in Cleveland, Ohio, USA with regional centers in New York City and Singapore, Global EDD Group provides legal technology services for matters with a national or international scope, specializing in remote and onsite services ranging from data identification to document review. Additional information is available by visiting <http://www.GlobalEDDGroup.com> or calling +1.888.690.DATA (3282).
