Key Benefits for the AMWA Network:

- Global Professional Opportunities: Provides exclusive path to join MedVeritas Global's elite physician network and participate in international second-opinion consultations and initiatives.
- Cross-Border Mentorship: Unlocks new avenues for international physician collaboration, case-based knowledge exchange, and global peer networking.
- Advancing Women's Health: Empowers members to lead international education and awareness on sex- and gender-based clinical learning.
- Global Impact: Allows AMWA clinicians to use their expertise to strengthen local clinical capacity and improve patient outcomes worldwide.

"AMWA is excited to partner with MedVeritas to create meaningful global health opportunities

for our members while advancing our shared commitment to improving women’s health,” says Eliza Chin, MD, MPH, AMWA Executive Director. "By combining our expertise with MVG’s global reach, we are empowering women in medicine to lead, mentor, and improve healthcare on an international scale."

"We are honored to partner with AMWA," said Mariam Jashi, MD, MPH, MPA, Co-Founder of MedVeritas Global. "Together, we will break down geographic barriers, share vital clinical knowledge, and elevate the standard of women's health globally."

About AMWA: Founded in 1915, the American Medical Women’s Association works to advance women physicians and improve the health of women.

About MedVeritas Global: MVG is a premier healthcare platform dedicated to international clinical collaboration, connecting specialist expertise across borders to optimize patient care worldwide.
