ST. LOUIS, MO, UNITED STATES, September 11, 2026 /EINPresswire.com/ -- The U.S. Chamber of Commerce and CO—, its award-winning digital platform for small businesses, today announced AAA Translation was chosen for the CO—100: America's Top 100 Small Businesses list.

AAA Translation was selected out of more than 12,000 applicants by an esteemed panel of judges for impressive growth, innovative strategies, and commitment to their customers. The list includes owners and founders from groundbreaking startups and innovative manufacturers to community builders and next-generation consumer brands from 36 states and Washington, D.C.

“Being honored in the 'Global Stars' category is humbling, but this recognition really celebrates my team's hard work and the trust our clients have placed in us across every market we serve. This success isn't mine alone — it's shared by everyone who helped make it happen.” Susanne Evens

Each CO—100 honoree receives a one-year paid membership to the U.S. Chamber of Commerce, national brand exposure, and exclusive access to expert insights, networking opportunities, and a vibrant community of fellow business leaders.

Next month, Susanne Evens will head to Washington, D.C., from October 19-21 to take part in premier events at the U.S. Chamber of Commerce's historic headquarters, including a VIP experience and access to some of the most influential names in business through the Small Business Forum. At an awards dinner, 10 businesses will be recognized for outstanding achievement across 10 categories of excellence and receive $2,000 each. One standout company

will be named CO—100 Top Business of 2026 and receive a $25,000 prize.

"Small businesses embody the spirit of opportunity that drives America's economy forward. This year's CO—100 honorees are solving problems, creating jobs, and strengthening their communities in remarkable ways," said Jeanette Mulvey, Vice President and Editor-in-Chief of CO— by U.S. Chamber of Commerce.

"Their success stories remind us that when entrepreneurs have the freedom to innovate and grow, the impact extends far beyond their own businesses."
