

Add Twitter-Followers.Com Announces That One Can Now Buy Instagram Followers Cheap

/EINPresswire.com/ New social media services where one can now [buy Instagram followers cheap](#) are now being offered at Add Twitter-Followers.com. This new social media optimization service is great for business promotions, celebrities, music bands, webmasters and aspiring artists.

The online photo sharing and social networking site better known as Instagram had already over 100 million active users as of September 2012. Instagram is great for business promotions, celebrities, music bands, webmasters and aspiring artists and there are already places where one can buy Instagram followers cheap.

It seems everybody wants to be popular on the photo sharing site. And no wonder. Instagram is a social media network no one can ignore and it can help promote any type of business. Experts expect that when the company starts doing business with advertising - following the model of other social networks-, its projection is enormous. In fact, large companies like Starbucks already use Instagram to make promotion, spreading images among their followers or covering live events.

Ever since [Facebook purchased Instagram](#) less than a year ago, users have been manipulating hashtags in an effort to get on Instagram's most popular board, and as it seems that will no longer be a problem when one hires a social media company. AddTwitter-Followers is the social media reseller site offering genuine Instagram followers for sale and compared to other similar sites their prices are very decent: 1,000 followers will only cost \$19.47, while 10,000 followers will cost \$160.00.

The practice of buying Instagram followers is surprisingly similar to the practice of buying Twitter followers. Social media reseller sites like AddTwitter-Followers sell Instagram followers by the thousands (and Twitter followers). From this page, for example, users simply enter their Instagram username and usually wait 2 to 3 days to get their order full filled.

But they aren't the only website attempting to make money off the free Instagram app. SocialMedia-Combo.com is also offering a similar service, where one can easily [buy 500 followers on Instagram](#) for \$14.00 dollars, scaling up to 20,000 followers for \$320.00. While this site offers smaller bundles of followers, these work out to be more expensive than AddTWitter-Followers, depending on the package you buy.

Imel Seda, CEO and founder of AddTwitter-Followers, an Orlando, FL based social media company that helps small and medium size companies and brands raise their social media numbers said that since they started to sell followers for Instagram they have been receiving 100s of orders a day. AddTwitter-Followers.com are very sought in the market due to the immediate marketing impact it provides its clients' businesses and social media channels. Many of their clients have raved about their quality service and friendly email support service.
