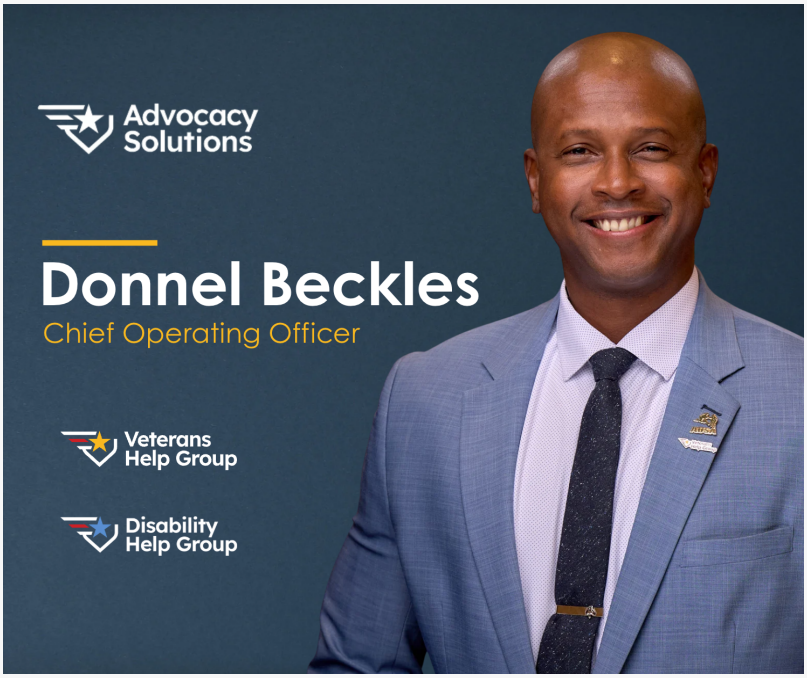
Advocacy Solutions Names Donnel Beckles Chief Operating Officer

From 2012 legal assistant to VHG Managing Director, Beckles has won tens of millions for disabled veterans. He now oversees both Advocacy Solutions brands.



CLEARWATER, FL, UNITED STATES, September 11, 2026 / EINPresswire.com/ -- Advocacy Solutions, the parent organization of Veterans Help Group (VHG) and Disability Help Group (DHG), has appointed Donnel Beckles as Chief Operating Officer, overseeing day-to-day operations across both brands.

Donnel has spent his entire career within the Advocacy Solutions family, starting as a legal assistant at Veterans Help Group in 2012 and advancing to VHG Managing Director before stepping into the COO role.

The appointment puts day-to-day operations in the hands of someone who has personally argued cases at every level of the Veterans Affairs process: Donnel has represented thousands of veterans and survivors before VA Regional Offices and the Board of Veterans' Appeals, work that has produced tens of millions of dollars in awards for claimants.

“I've spent my career representing the men and women who served this country, and I know what this team is capable of when we're all pulling in the same direction,” said Donnel. “When everyone moves forward together, success takes care of itself. I want every person at Advocacy Solutions to work on getting a little better every day, because that's what the people we serve deserve.” - Donnel Beckles

Donnel earned his J.D. from Nova Southeastern University's Shepard Broad Law Center in 2012 and holds a B.Sc. from Florida Memorial University. He was admitted to practice before the Supreme Court of the State of Florida, has been VA-accredited since 2014, and is a Sustaining

Member of the National Organization of Veterans' Advocates. He remains based at the organization's Clearwater, Florida headquarters.
