/EINPresswire.com/ A new website has been launched to help women locate lawyers for file their [Mirena IUD lawsuits](#). It is www.MirenaIUDhelpline.com This new helpline has a mission to contact all women with a uterine perforation from the Mirena IUD and help them file their Mirena IUD lawsuit. is for support "Women are the target for many dangerous drugs and medical devices" says, Lisa Spitzer MSW who supervises the new Mirena IUD Helpline. "Birth control is a money maker and women are the targets". "The women we speak to have had serious complications from the Mirena IUD including uterine perforations. The device has gravitated out of position and severed the uterus."

Birth control has become the focus for lawsuits. "the Mirena IUD lawyer T.V ads are starting to pop up all over the country as women report injuries" says Spitzer for www.MirenaIUDhelpline.com Is the Mirena next ? The Mirena birth control device is causing injuries to women in NYC, Florida, Texas, California, and all over the U.S.A." according to the helpline it is a flexible intrauterine device that is placed into the uterus through the vagina by a GYN. Mirena releases a continuous dose of hormones (levonorgestrel) to prevent pregnancy for up to five years

"Our women callers report the device has moved out of each original position and punctured the uterus or become firmly embedded in the uterus. Many state the doctors cannot find it . The Mirena has caused bleeding and other very serious complications." The new Mirena IUD Helpline is helping women with these complications. "Many women are telling us the doctors are refusing to remove the Mirena and many must have it surgically removed". The <http://www.mirenaIUDhelpline.com> will continue to expand services nationwide to women until all women with serious injury from this IUD have been located. The www.MirenaIUDhelpline.com is a resource for new news about this dangerous birth control device harming women. They are also working to get the message out to all women nationwide.
