Zoe and Piper have been in the jewelry business for 15 years, showcasing a wide array of artisan jewelry. This year, they started a new line of sterling silver jewelry that showcases their style and philosophy... Zoe and Piper was born! "The name is inspired by my daughter, Piper. If only we could see the world through a child's eyes, wouldn't it be a better place?" say Sienna, owner of Zoe and Piper.

Zoe and Piper's first pendants speak for themselves, literally. Their buddha pendant has words of inspiration written across the front and back: "Compassion, Karma, Peace, Love, Kindness,

Zoe and Piper's Herbivore Necklace on Tourmaline Beads and our Awakening of Enlightenment Buddha & Lotus Flower Necklace.

Respect and Tranquility" - words to live by. Their [Herbivore](#) pendant speaks out for Vegetarians, Vegans and Animals alike.

Zoe and Piper are proud to donate a portion of their proceeds to select animal sanctuaries and advocacy groups. "Working with and caring for animals has always been an important part of our lives, and this is our little way of giving back", notes Sienna.
